*Home Show*

Ads for the home show program should be submitted asap. The forms for the ads are on the marching band website. Jon Bennett noted that Chipotle cannot give us an ad but will provide food for students if needed. Reynolds Music will not place an ad, and Target has to go through corporate. TC Graphics will have an ad, as will the Tiger Lily flower shop. Jon is also looking into an ad from a local barber and Chanteclair Pizza.

There was discussion regarding the concession stand and how profits are determined. Karen will be getting a contract from the school for the concession stand use.

*Drumline*

The uniforms have been started but will need to be altered and hemmed. Lisa picked up black mock turtlenecks for the frontline.

**New Business**

An addition to the Band Booster Bylaws was presented. The addition would give the Boosters a formal procedure for working with students on delinquent accounts. There was one revision suggested which would allow the Board to participate with the Director in making decisions regarding student participation. The proposal passed unanimously and will be added to the Bylaws of the Booster Club.

**Other Business**

*CenterPlate*

There is another training session scheduled for April. We need more managers for our group. We are filling in right now until the Twins schedule starts.

There being no further business, the meeting was adjourned at 9 p.m.
